Please use the vehicle pass for all exhibitors' vehicles. Unloading may commence at 08:00 on Wednesday and please arrive by 17:00 at the latest. Stands should be completed by 19:00. Please see enclosed plan for access.

**Please note** that if you arrive late and your stand is not set up on the build-up day then you will jeopardise your participation in future ICHF events.

## **PARKING**

- a) Build up day, WEDNESDAY: download the exhibitor vehicle pass from the exhibitor zone this will help the SEC to direct you to the rear of Hall 4 for build-up. Please unload vehicles as quickly as possible and help everybody by moving them away from the doors to let other exhibitors have easy access.
- b) These vehicle passes are for OPEN DAYS also.

## **STAND FEATURES**

The standard colour of the shell scheme is BLACK. Merchandise can be fixed to the stands using velcro (available to purchase from us on the build-up day, subject to availability). Small panel pins can also be used - please be careful not to tear the fabric covering. Panels are 50mm in width.

Shelving 300mm deep is available, also extra panelling and lockable doors. See enclosed order form.

**Cleaning/Nightsheets** The cleaners will NOT enter and clean any stand with nightsheets UNLESS these are of a lockable type and a set of keys is left in the Organisers Office.

## **STAND AREA, FASCIAS and SIGNS**

Please remember that all your products, chairs, etc, must remain within your stand area for the duration of the show.

There must be no items/products or signs/name-boards on the fascias of any sort, other than official ICHF name-boards; also no 'Sale' or 'Discounted' signs (including handwritten ones) should be used. Printed 'Show Offer' is permitted.

The above points are to keep our exhibitions looking neat, tidy and of a 'quality' presentation.

**Balloons** above the top of the stands are not recommended and are subject to removal at ICHF's discretion (also note that if they go to the ceiling the venues often charge for their removal, which charge would be passed on to the exhibitor).

## **BREAKDOWN**

Exhibitors should be clear of the hall by 22:00 hrs on Saturday evening.

## **COLLECTIONS**

Our contract with the venue finishes on Saturday evening. Therefore, it may not be possible to leave goods in the hall for collection on Monday. Please check with the Show Manager, before the show opens, but goods left overnight are in danger of being lost or disposed of by the venue.

## **HEALTH AND SAFETY**

### **BUILD-UP HEALTH & SAFETY**

Please note that no under 16s are allowed in the exhibition hall during build-up and breakdown. This is a requirement of the venue's Health & Safety policy.

### **RISK ASSESSMENT**

An exhibition stand is a workplace covered by health and safety legislation. As the exhibitor, it is your responsibility to ensure a suitable and sufficient risk assessment is completed. Failure to do so could lead to delays or ultimately the closure of your stand.

You must complete a Risk Assessment form and return it to us before build-up commences, to [operations@ichf.co.uk](mailto:operations@ichf.co.uk) or post to the address below.

### **HIGH VIS**

It is now a requirement for all exhibitors to wear high vis jackets throughout build-up and breakdown. A limited supply will be available in the organisers office to purchase.

### **SITE INDUCTION**

Exhibitors will be required to sign a site induction form on arrival to the venue, to confirm you will comply with the health and safety rules onsite. A copy of the form can be found on the exhibitor's zone.

### **STAND GUIDELINES**

Please be aware that you must set-up all products within your stand. It is potentially a major health and safety risk if you fail to do so. You may be asked to re-design your stand layout if this is the case.

Important note: Your stand is a temporary structure that is not designed to carry heavy loads, if you are planning to hang items from your stand, please contact the office for your stand weight capacity. Shelving units also need to be free standing. Please contact [operations@ichf.co.uk](mailto:operations@ichf.co.uk) if you have any queries.

### **USE OF LITHIUM BATTERIES**

For safety reasons, the use of battery packs to provide mains power to lighting, tills etc, is strictly prohibited within the exhibition halls. Lithium batteries present a significant fire and explosion risk if damaged, improperly handled, or exposed to heat.

### **COMPLIANCE AND ENFORCEMENT**

Exhibitors found to be in breach of this regulation may be required to immediately remove the offending items from the premises and may face suspension of stand activity until compliance is achieved. Continued non-compliance may result in expulsion from the event without refund or compensation. ICHF Events reserves the right to inspect exhibits and enforce this policy at any time in the interest of maintaining a safe environment for all participants.

## **GENERAL INFORMATION**

A 'reasonable quantity' per stand will be issued on the build-up day from the Organisers' Office and **MUST BE WORN** to gain easy access on OPEN DAYS.
