

The Henley Christmas Fair has been awarded the 'We're Good To Go' status

'We're Good To Go' industry standard from Visit England. Confirming the show is adhering to the government's Covid-19 guidance.

Keeping you Safe

All attendees must be prepared to show proof of either:

a) having had two doses of the COVID-19 vaccine at least 14 days before attending

OR b) a negative Lateral Flow Test result, which can be taken at home or at a recognised centre free of charge, within 48 hours of the event.

We will accept various forms of proof of vaccination and a negative test result

For vaccinations this includes:

- the NHS app
- NHS.UK
- the vaccination record card

For the Lateral Flow test result, this includes:

- an email or text confirming your result

We will not ask for evidence from anyone under 18.

Safety Measures within the show:

- We have taken all reasonable steps to maintain a safe and social distance within the show.
- Additional staff will be onsite to monitor visitors numbers.
- Our team will be briefed and trained in our Covid prevention procedures.
- Hand sanitiser stations will be available throughout the show, the location for these station will be visible on the floorplan. We request you use them when you enter the show and throughout your day.
- Face masks will be optional. We recommend that you bring your own, although we will have a limited number for sale on-site.
- We advise visitors to use card payments where possible to avoid the handling of cash.
- There will be increased regular cleaning throughout the show, including the catering areas, toilets and high touch points.
- Tickets for the event must preferably be downloaded on your smart phone.
- We ask that if you or any accompanying persons are showing any symptoms of Covid-19 that you do not attend the show.
