ON SITE INFORMATION

UNLOADING

Please download the vehicle pass for all exhibitors' vehicles, for build up. Unloading may commence at 08:00 on Wednesday and please arrive by 17:00 at the latest. Stands should be completed by 20:00. Please see enclosed plan for access.

Please note that if you arrive late and your stand is not set up on the build-up day then you will jeopardise your participation in future ICHF events.

STAND FEATURES

The standard colour of the shell scheme is BLACK. Merchandise can be fixed to the stands using velcro (available to purchase from us on the build-up day). Small panel pins can also be used - please be careful not to tear the fabric covering. Panels are 50mm in width.

Shelving 300mm deep is available, also extra panelling and lockable doors. See attached order form.

Cleaning/Nightsheets The cleaners will NOT enter and clean any stand with nightsheets.

STAND AREA, FASCIAS and SIGNS

Please remember that all your products, chairs, etc, must remain within your stand area for the duration of the show.

There must be no items/products or signs/name-boards on the fascias of any sort, other than official ICHF name-boards; also no 'Sale' or 'Discounted' signs (including handwritten ones) should be used. Printed 'Show Offer' is permitted.

The above points are to keep our exhibitions looking neat, tidy and of a 'quality' presentation.

Balloons above the top of the stands are not recommended and are subject to removal at ICHF's discretion (also note that if they go to the ceiling the venues often charge for their removal, which charge would be passed on to the exhibitor).

Support Walling and Safety Statement

The stands are temporary structures and therefore limited in their stability. For safety please bear in mind the following:

- (i) Any stand over 4m in length may require additional support panels. These are inserted at the sole discretion of the stand contractor.
- (ii) The walls are not designed for the hanging of large quantities of products. You should have self-supporting units.

BREAKDOWN

Exhibitors should be clear of the hall by 22:00 hrs on Sunday evening.

COLLECTIONS

Our contract with the venue finishes on Sunday evening. Therefore, it is not possible to leave goods in the hall for collection on Monday. Goods left overnight are in danger of being lost or disposed of by the venue.

HEALTH AND SAFETY

RISK ASSESSMENT

An exhibition stand is a workplace covered by health and safety legislation. As the exhibitor, it is your responsibility to ensure a suitable and sufficient risk assessment is completed. Failure to do so could lead to delays or ultimately the closure of your stand. A risk assessment template can be found on the exhibitors zone, please return the form to operations@ichf.co.uk or post to the address below.

BUILD-UP HEALTH & SAFETY

Please note that no under 16s are allowed in the exhibition hall during build-up and breakdown. This is a requirement of the venue's Health & Safety policy.

HIGH VIS

It's now a requirement for all exhibitors to wear high vis jackets throughout build-up and breakdown. A limited supply will be available in the organisers office to hire through a deposit system.

SITE INDUCTION

Exhibitors will be required to sign a site induction form on arrival to the venue, to confirm you will comply with the health and safety rules onsite. A copy of the form can be found on the exhibitor's zone.

STAND GUIDELINES

Please be aware that you must set-up all products within your stand. It is potentially a major health and safety risk if you fail to do so. You may be asked to re-design your stand layout if this is the case.

Important note: Your stand is a temporary structure that is not designed to carry heavy loads, if you are planning to hang items from your stand, please contact the office for your stand weight capacity.

GENERAL INFORMATION

EXHIBITOR PASSES

A 'reasonable quantity' per stand will be issued on the build-up day from the Organisers' Office and **MUST BE WORN** in order to gain easy access on OPEN DAYS.

SECURITY

There will be 24 hour security cover during the period of the Show, but insurance cover for any loss or damage is the responsibility of exhibitors.

INSURANCE

Insurance is the responsibility of individual exhibitors.

ON-SITE ORGANISERS OFFICE DETAILS
