COLOUR YOUR LIFE!

Show off your Embroidery skills!

Life is colourful in many ways. If taken literally, we see countless shades, a never-ending colour palette through our eyes. However, colour can be much deeper than that.

Colour can affect our moods. To say one has a colourful life means living life to the full, experiencing emotions, struggles and blessings... without colour, the world would simply be dull and lifeless!

So, get stitching and embroider your vision of a colourful life, for a chance to win one of our fabulous prizes!

The categories for 2023 are:

- **Category A** – Mainly Machine Embroidery
- **Category B** – Mainly Hand Embroidery

Both categories may contain mixed media, such as beads, papers, wires, etc.
